It is time to dance into your full potential. Time to dream a new dream & embody your heart's wildest desires. It is time to say Yes to you. If not now when?

Mary Abrams, Kenneth Ballard, Dharma, Samphos and Ken's amazing Balinese healing family invite you to join us in Bali for a profound Transformational Celebration, a rare travel treasure!

Travel with us on this potent journey, gaining exceptional entree into the hidden inner world of Bali. Awakening. Healing. Re-Membering who you really BE. A time of unbridled bliss filled with unconditioned Love. A time of renewal and rejuvenation. A time to celebrate Love and exponential expansion.

2018 marks 31 years of Ken leading Bali journeys. We offer a unique, exclusive experience in Bali that is without equal. I am setting a gourmet table of experiences for Mary's fellow travelers that is a pure delight to partake of.

I am Bridge & Gatekeeper for this sacred work, and I am filled with gratitude to be in this position.

Mary and I have spent much time together in Bali and it is with pleasure that we blend and fuse our energies, talents and abilities for yet another octave of what Bali has to offer.

I know of no one who can begin to touch the depth and breadth of connection I command in Bali. For the last 10 years, along with my 4 Balinese family(s)-I have designed, evolved, & refined a synergistic holistic program that is catalytic & life changing. This is a potent intensive! The gifts received are beyond measure.

Open and Receive. Open & Receive is the foundation of our Spirit Play in Bali. Open your hands and your heart to receive all Bali has to offer at her most magical. Again and again we simply open to the mystery and receive all Bali has to offer us. In that Sweet Ease.

As my dear friend the Balinese elder Lingsir says, Siva brings back to the origin that which no longer serves us. It is a time of gently shedding old skin realities. Letting Go. A time of renewal & rejuvenation. A time of birthing anew. A time of total reset. Open & Receive the life of your dreams, by simply saying Yes. Yes, I am open and I am ready.

Our program includes an amazing multi part diagnosis by one of Bali's most gifted healers followed by a series of daily sacred water ceremonies (melukats), potent prayers in temples of power few visit or have access to, powerful rituals, sacred dance, visits to ancient power places. A profound & special experiential time of being held in a sacred container of Love.

We travel in Balinese as insiders, following the impulse from the world of Niskala(inner to outer). We enter a most magical mystery, welcomed with love and open arms by my family here.

We gently and with Love, maximize the potential for expansion, awakening, healing, and remembering. This is a time of renewal. This is a time of rebirth. Those who participates with me in this program comes away forever changed. Life will never be the same, this I know. Life is meant to be lived as a celebration and in that sweet ease.

This Journey unfolds during the potent April sacred time and we will immerse ourselves in Bali's ceremony & ritual. The group will be small and intimate, 14 aspirants maximum.

We have tier priced for a minimum 4-5, so with a smaller more intimate group the journey still takes place. This is a

soul call, and I trust exactly the right synergy of travelers to say Yes.

In Lotuz Love & with Aloha, Kenneth, Mary, Dharma, Samphos and our Bali dream team.
