

Sacred Journey to Bali, Indonesia

May 27-June 9, 2023

with Mary Abrams & Kenneth Ballard

It is time to dance into your full potential. Time to dream a new dream & embody your heart's wildest desires.

Mary Abrams, Kenneth Ballard, Agung Dharma, Samphos and Ken's amazing Balinese healing family invite you to join us for a profound Transformational Celebration, a rare travel treasure! A time to say Yes to you. If not now when? Travel with us on this potent journey, gaining exceptional entree into the hidden inner world of Bali. Awakening. Healing. Re-Membering who you really BE. A time of unbridled bliss filled with unconditioned Love. A time of renewal and rejuvenation.

A time to celebrate Love and exponential expansion.

This Journey unfolds during potent sacred time in May and June. We spend 13 nights in Bali. Arriving we have 2 days open for landing-settling-awakening, the following days unfold with immersive Bali's ceremony & ritual, healing, temple visits, and more. Daily breakfast and most lunches included (we are always full in Bali 😊). During open times Mary is available upon request for deepening our experience with breathing, sounding, moving, feeling and being together.

Resort accommodations are luxurious. Rates are determined for doubles, each person with their own queen or king size bed. Single accommodation is possible with an extra fee. Our primary resort near Ubud is Tanah Merah Art Resort: www.tanahmerahbali.com (Please note: rates listed on the website are not our group rates. Please reference the website only to get a feel for this beautiful resort.)

Our group will be small and intimate, 4 minimum to 12 aspirants maximum. We will have tier pricing for 4-5, 6-8, 9-12, so with a smaller more intimate group the journey still takes place. This is a soul call, and we trust exactly the right synergy of travelers to say Yes.

In Lotuz Love & with Aloha,
Kenneth, Mary, Agung Dharma, Samphos and our Bali dream team
